To: Ashley Gosseline <agosseli@wcboe.org>;

Ms. Gosseline,

Thank you for your interest in delegate scholarships for the 2017-2018 academic year for your students. Delegate Sheree Sample-Hughes gives out scholarships to students who reside in her legislative district and are planning to attend an in-state school (unless they plan to have “unique major” status) so we will need their home address in order to determine whether or not they are a constituent. They can either contact our office via email or by phone at 1 800 492 7122 X 3427 or 410 841 3427 with that information, and we will be able to help them with scholarship information. Our deadline for scholarship applications being returned to the Annapolis office is April 15, 2017. Along with the application that we mail to the students, we include a letter explaining the other three items we require to be returned along with the completed application—and unofficial transcript, a very brief (two short paragraphs) essay why they believe they deserve a scholarship, and a copy of their voter registration card if they are old enough and eligible to vote. If you have any other questions regarding the scholarship process, please feel free to contact me anytime.

Subject: Scholarship

Good afternoon,

I am writing to gain some information on the legislative scholarship for this year. If you could provide me with details on the application and deadline I would greatly appreciate it and I will quickly get that information out to our seniors. Thanks!

For State Senator and State Delegate scholarships...

Make sure you visit this website and type in your home address.

This will provide you with the name of your senator and delegate. In most cases, you can not apply for a senator or delegate scholarships if you do not live in their district.
