

## Delegate Carl Anderton Scholarship

We are asking for students to contact our office directly to obtain the scholarship packet. We are only able to provide scholarships to those who live in district 38B and because of this, we are unable to send blank applications. We would love to have your help in spreading the word and asking students to email us at [Carl.Anderton@house.state.md.us](mailto:Carl.Anderton@house.state.md.us) or by calling 410-841-3431 to make sure they live in the district.

## **For State Senator and State Delegate scholarships...**

Make sure you visit this website and type in your home address.

This will provide you with the name of your senator and delegate. In most cases, you can not apply for a senator or delegate scholarships if you do not live in their district.
